**Special Moments!**

HER TIME HAS COME

She gave birth to all the people's of the  
world and her name is Africa  
Without her warmth and nourishment our  
souls would die  
her time has come

We shall take care of Africa  
You are the mother of us all

We shall take hands with Africa  
You are the mother of us all

We will sing our songs for Africa  
You are the mother of us all

We will give our hearts to Africa  
You are the mother of us all

Her time has come

*Melody and words by Francois le Roux*
