

RURAL

At the **RURAL ARTS
NETWORK** we seek, ignite, grow
and nurture talent in the creative
arts, providing a space where that
talent can be developed into a tool
for empowering individuals in
diverse, rural communities.

By creating opportunities for youth
and families to engage with music,
visual art, dance and drama, we
hope to unleash hidden potential,
encourage the next generation of
South Africans to dream big
dreams and enable them to make
a positive contribution to the
future artistic development of our
nation and our world.
